AMEND Senate Bill No. 2326

House Bill No. 2354*

by adding the following new section immediately preceding the last section:

SECTION __. In increasing the cigarette tax pursuant to the provisions of this act, it is the legislative intent that legislation be enacted to reduce the state sales tax rate on the sale of food and food ingredients from six percent (6%) to five and one-half percent (5.5%) for the 2007-2008 fiscal year.
